

## Foam Features

- 1. RED Komodo X Camera Body (without cage)
- 2. Monitor & Handle
- 3. Memory Cards x4
- 4. Accessory pocket

This RED Komodo-X Case provides tailored protection and premium convenience for filmmakers on the go, featuring the NANUK 935's rugged design and a high-quality foam insert precisely cut for secure storage. Built to handle tough conditions, this case offers waterproof and impact-resistant protection with PowerClaw latches, a retractable handle, and smooth-rolling wheels for easy transport. Soft-grip handles, an automatic pressure release valve, and a customizable bezel system further enhance versatility, making it an ideal choice for protecting high-value equipment in any environment.
