CUSTOM BOW CASE

The long awaited Nanuk bow case is finally hitting the market. Bow case users will now have the chance to store their gear in the world's best protective cases.

The 991 Bow Case is built to be fast and smooth with stainless steel ball-bearing wheels and three spring-loaded handles that make it the perfect low profile waterproof and dustproof hard case that can be thrown in a truck bed or carried on rugged terrain.

The interior design of the bow foam provides modular storage to keep your equipment well organize and secure.
